Crop Residue Degradation

PRODUCT BENEFITS

Renuvis Enzara™ 5-0-0 is a biological complement formulated with proven enzymes that accelerate crop residue degradation, improving spring planting conditions and supporting early season growth.

GUARANTEED ANALYSIS

Total Nitrogen (N)	5.0%
0.6% Ammoniacal Nitrogen	
0.25% Nitrate Nitrogen	
4.15% Urea Nitrogen	
Molybdenum (Mo)	0.0025%
Derived from Urea, Ammonium Sulfate, Potassium Nitrate, Sodium Molybdate Dihydrate.	

ALSO CONTAINS NON-PLANTFOOD INGREDIENTS

Endoglucanase enzymes	25 mU (milliunits)/mL
Total Other Ingredients	95%

DIRECTIONS FOR USE

Apply at 16 fl. oz./ acre for all crops. Mix in minimum 6.6 gal/ acre as carrier. Renuvis Enzara™ should be applied to crop field residues just prior to ploughing or discing the stubble, straw, or stalks.

STORAGE REQUIREMENTS

Gently shake before use. Store product in its original container with a tightly secured cap to avoid loss or contamination. Store in a dry area (1°C - 38°C) out of direct sunlight.

Information regarding the contents and levels of metals in this product is available on the internet at: <http://www.aapfco.org/metals.html>

FOR PROFESSIONAL AND AGRICULTURAL USE ONLY
KEEP OUT OF REACH OF CHILDREN

HEALTH AND SAFETY INFORMATION

WARNING. CAUSES SERIOUS EYE IRRITATION. CAUSES SKIN IRRITATION.

Wear eye or face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.

IF ON SKIN: Wash with plenty of water. Take off contaminated clothing and wash before reuse. If skin irritation occurs, get medical advice or attention.

Do not ingest. Wash hands thoroughly after handling product.

WARNING: The application of fertilizing material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum which are toxic to ruminant animals.

WARRANTY

IMPORTANT! READ the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this Product. Since weather, soil and other conditions may vary, neither Mosaic Biosciences, nor the Seller make a warranty of any kind, expressed or implied, concerning the use of this product and specifically disclaim and limit all warranties, remedies, and liabilities as permitted by law. The buyer/user assumes all risk of handling and use of this product. **THE CONDITIONS OF SALE AND LIMITATION OF WARRANTY (INCLUDING DISCLAIMERS, REMEDY, AND LIABILITY)** of this product are specifically set forth at www.MosWarranty.com.

US Patent No. 11,124,460 and additional patents pending.
